DNOW 2027 | VOLUNTEERS & NEXT STEPS

THE STATION CHURCH • Volunteer signup and important information

3 / VOLUNTEER REGISTRATION

For college small-group leaders, host homes, worship team, tech, hospitality, transportation, and other volunteers. Volunteer registration is free.

01. Open the same DNOW 2027 registration link and select Register.
02. Sign in or verify your contact. New users enter a phone number or email and the verification code.
03. Select DNOW Volunteer as the registration type. The cost should show \$0.
04. Confirm your name, phone, email, and other required information.
05. Select the serving area(s) where you are willing to help (college small-group leader, host home, band, production/tech, food/hospitality, transportation, or wherever needed).
06. Submit your free registration. DNOW leadership will confirm your final role.
07. Complete any required background-check steps. If you do not have a current check on file, watch for an invitation. Registration alone does not approve someone to serve.
08. Watch for a follow-up message with your confirmed assignment, schedule, and instructions.

FINANCIAL ASSISTANCE

We never want finances to prevent a student from attending DNOW. If your family needs financial assistance, please email Pastor Phillip at phillip@thestationchurch.org before completing registration. All requests will be handled privately.
